REFERRAL PROGRAM

Exclusive Link has a referral scheme that allows users to earn 2.5% of their referred user's lifetime earnings. Each user has a referral link which is found on their referral page, all you need to do is copy and paste the link to new users and get them to start an account using the URL.

Any user can use the referral scheme, however they will need to setup a bank account to receive payouts and become verified.

The referral link only works on brand new users to the website and ones that have created an account from using the referral link.

Exclusive Link reserves the right to change the referral program at any time, this will not affect old referral earnings.

Referral payments are processed automatically to users, these earnings are taken from Exclusive Links commission and not the referred user's earnings.

EARNINGS AND PAYOUTS

Once of payment has been taken by the payment service provider the content provider is required to allow the user to view the content they are selling. Exclusive Link holds the payment on behalf of the content providers. Prices are limited to a set range from £4.99 to £300 per transaction. Card payments take 7 days to clear your pending balance until they are available to withdraw.

The payment service provider will transfer these payments to Exclusive Link Ltd who will manage the process of paying the content providers. Content providers are paid via electronic bank transfer which can be requested on the account statement page. Exclusive Link will take commission of 15% of the total revenue generated by the content provider.

Example – with a £10 subscription the content provider will receive £8.50.

The commission covers the costs of building and running the website, the cost of the payment service provider, the cost of the staff, marketing & sales and accounting fees.

You can request a payout once your available balance reaches £20 or more. Payouts are issued via bank transfer and take up to 3 working days but can take longer depending on who you bank with. A £2.50 bank transaction fee is deducted from your balance when a payment is made. All payments are made in GBP or equivalent foreign currency values.

Exclusive Link is a platform that acts as an agent between parties, all users will need to account for their earnings in line with their local tax laws. By using Exclusive Link you agree to comply with local tax laws and authorities.

Next day pay is available at a premium of an additional 6% of the balance being paid. Next day pay allows users to have access to their funds from their available balance and pending balance by sending funds to their bank within the next working day. By using next day pay you agree to allow Exclusive Link to share your payment details with our payment partners.

CHARGE BACKS

Charge backs will result in the followers account being immediately suspended and a £20 charge back fee being passed onto the content creators account.
